4. In our opinion and to the best of our information and according to the explanations given to us, these quarterly standalone financial results as well as the year to date results:
  - i. are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular No. CIR/CFD/CMD/15/2015 dated 30<sup>th</sup> November 2015 and CIR/CFD/FAC/62/2016 dated 5<sup>th</sup> July 2016, in this regard except for the possible effects of the matters described in paragraph 3; and

5. We want to draw attention of the users of the financial statement, that company has been incurring losses and its net worth is completely eroded, also its current liability exceeds current assets by Rs. 1,05,316.65 lacs. However the financial statements of the company have been prepared on a going concern basis and accordingly Deferred Tax Assets amounting to Rs. 29,085.14 lacs created up to 31<sup>st</sup> March 2015 has been carried forward.
6. We want to draw attention on note 5 (five) of the financial statement regarding deallocation of coal blocks by Hon'ble Supreme court vide its order dated 24<sup>th</sup> September 2014. Pending finalisation of the compensation receivable for the cancelled mines, no adjustment in the book values of investment in mining assets has been made.
7. We want to draw attention of the user of the financial statement regarding investment made in one of its subsidiary viz. Nilachal Iron & Power Limited (100% Subsidiary), appearing as investment at historical cost, however net worth of the same as per latest audited financial statement is much lower than the book value. As per information given to us, management is taking corrective actions in the said subsidiary and also steel industry is reviving, so no provision against the same has been made.
8. Our opinion is not modified in respect of matters specified in paragraph 5 to 7.
